

## Curriculum Vitae

### Katrin ERDLENBRUCH

Irstea, UMR G-EAU  
361 rue J.F. Breton  
34 196 Montpellier cedex 5  
France

Phone: +33 (0)4 67 04 63 87  
Fax: +33 (0)4 67 16 64 40

E-mail: [katrin.erdlenbruch@irstea.fr](mailto:katrin.erdlenbruch@irstea.fr)

Date of birth: August 11, 1975.  
Place of birth: Munich, Germany.  
Citizenship: German, French.

---

#### CURRENT POSITION

Research Director      Directrice de recherche DR2 at Irstea, UMR G-EAU, Montpellier, France.  
Associated Researcher at UMR LAMETA, Montpellier, France.

#### EDUCATION

2013 HDR      *Diploma giving authorization to supervise PhD students, Economics, Université Montpellier I, Montpellier, France, with highest distinction*  
Committee: Prof. Ngo van Long, Prof. Philippe Mahenc, DR Arnaud Reynaud, Prof. Katheline Schubert, DR Alban Thomas, DR Mabel Tidball.

2005 Ph.D.      Economics, Université Montpellier I, Montpellier, France  
*with highest distinction.* Supervisor: Robert Lifran.

2001 M.Sc.      Environmental and Resource Economics, University College London, UK.  
2000 Maîtrise      Economie, Université Montpellier I, Montpellier, France.

1995 Abitur      Kaiserin-Friedrich Gymnasium, Bad Homburg, Germany.

---

#### PROFESSIONAL EXPERIENCE

2009 - 2015      Researcher (Chargée de recherche CR1) at Cemagref/Irstea, Montpellier.

2005 -2009      Researcher (Chargée de recherche CR2) at Cemagref, Montpellier.

September-  
October 2003      Consultant for the World Bank: Contribution to the Economic Review of the Forest sector in the Democratic Republic of Congo.

January-  
February 2002      Consultant for OECD, Environment department, National Policies Division.

October-  
December 2001      Internship at OECD, Environment department with Jean-Philippe Barde et Nick Johnstone.

August-  
September 1999      Internship Kreditanstalt für Wiederaufbau (KfW), Economics department: Comparative market study of the German and French water sector.

July - August 1998      Internship at Montpellier Méditerranée Technopol, Start-up development agency.

---

## RESEARCH INTERESTS

Resource Economics, Water Economics, Flood and Drought management, Cost-Benefit Analysis.

Dynamic Modeling, Optimal Control, Differential Games.

---

## RESEARCH PROJECTS

### Coordination

2009-2012: RISECO Resource economics, agricultural water scarcity and drought risk management. Project: ANR JCJC (National Research Council - Young Researcher Grant). Coordinator: K. Erdlenbruch (Cemagref), financed by ANR (48 months), 150 000 €. Website: <https://riseco.cemagref.fr>

### Participation

2014-2017: RETINA Resilience of flood-prone territories - a preventive approach through post-event adaptation. Project: "Risque Décision Territoire" Risk Decision Territory (MEDAD). Coordinator: F. Grelot (Irstea), financed by: Ministry of Sustainable Development (36 months).

2012 - 2016 European Cooperation in Science and Technology, COST Action IS1104: The EU in the new complex geography of economic systems: models, tools and policy evaluation". Coordinateur: Pasquale Commendatore. Università di Napoli 'Federico II', Italie). (48 months).

2009-2012: SURGE Rural-Urban Solidarity and Water Management. Project: "Eaux et Territoires (MEDAD). Coordinator: O. Barreateau (Cemagref), financed by MEDAD (36 months).

2008-2010: EPI Risk perception and economic valuation of flood risk exposition: Project: "Risque Décision Territoire" Risk Decision Territory (MEDAD). Coordinator: F. Grelot (Cemagref), financed by: PUCA (Equipment ministry) (24 months).

2007 : BQR : "Risk management : drought risks." Coordinator : J.-L. Viviani (Univ. Montpellier I). (12mois).

2006-2007: Pluridisciplinary approach to flood risk perception in the Vilaine basin. Coordinator: N. Dupont (Costel, Rennes university), financed by IAV (24 months).

---

## FELLOWSHIPS AND ACADEMIC DUTIES

### Refereeing

*Cahiers d'économie et sociologie rurales, Environmental and Resource Economics, Environmental Modelling and Assessment, European Journal of Operational Research, European Review of Agricultural Economics, Journal of Environmental Economics and Management, Journal of Environmental Management and Planning, Natural Resource Modeling, Natures Sciences Sociétés, Resource and Energy Economics, Revue Economique, Water Resources and Economics.*

## Memberships

Member of EAERE European Association of Environmental and Resource Economists

Member of FAERE French Association of Environmental and Resource Economists

Member of the Editorial Board of FAERE.

## Organisation of seminars

- 2015 co-organisation of "Docoriales en Sciences Sociales de l'Eau", IM2E.
- 2014- today "team leader DynEuSoc - Adaptations"
- 2006 - currently MATHEO seminar at UMR G-EAU (with X. Litrico) and IM2E (with Bruno Bonté)
- 2002-2003 SERENE seminar at UMR Lameta (with J.-M. Salles).

## Participation in PhD and HDR Committees

- 2015 PhD jury - examiner « rapporteur » A. Creach, Université de Nantes.
- 2014 HDR jury - examiner « rapporteur » F. Destandau, University of Strasbourg.

---

## RESEARCH STAYS AND INVITED CONFERENCES

- 2014** **Valladolid, Spain**, collaboration with F. Cabo, University of Valladolid, (1 week).
- 2013** **Valladolid, Spain**, collaboration with F. Cabo, University of Valladolid, (1 week).
- 2012** **Bilbao, Spain**, collaboration with S. Foudi, Basque Centre for Climate Change, BC3, (1 week), invited conference.
- 2011** **Montréal, Canada**, collaboration with Prof. G. Zaccour, University of Montréal, GERAD, (2 weeks).
- 2010** **Montréal, Canada**, collaboration with Prof. G. Zaccour, University of Montréal, GERAD, (2 weeks).
- 2009** **Kiel, Germany**, collaboration with Prof. M. Quaas, (1 week), invited conference.
-

## TEACHING

Université Montpellier II, Master Eau, Lectures on evaluation of public policies (2012-present)

AgroParisTech (ENGREF Ecole Nationale du Génie Rurale, des Eaux et des Forêts): Lecture and classes on economic evaluation of flood risks (2005-2007).

MontpellierSupAgro (2<sup>nd</sup> year and Master A2D2: Lectures on natural resource economics, fisheries economics, economic valuation and forest policies (2003-present)

Université Montpellier I: Teaching Assistant in Microeconomics (Prof. G. Cheikbossian) and Economic Calculus (Prof. M.Willinger) (2004-2005).

---

## SUPERVISION OF STUDENTS

### M.Sc. students

N. Angelier (ENGEES, 2006), V. Germano (Univ. Montpellier III, 2006), C. Blanc (Univ. Aix-Marseille III, 2007), S. Djebaili (Univ. Montpellier I, 2008), A. Mullens (Univ. Montpellier II, 2008), J. de Frutos (Univ. Montpellier II, 2010), N. Fontecilla (Montpellier SupAgro 2012).

### Ph.D. students

C Richert (Univ. Montpellier I, since 2014),  
J. de Frutos (Univ. Montpellier I, 2010-2014),  
C. Golden (Univ. Montpellier I, 2006-2007).

### Post-doctorants

A. Tomini (formerly Univ. Aix-Marseille, 2011-2012),  
S. Foudi (formerly Univ. Toulouse I, 2008-2009).

---

## HONORS AND GRANTS

January 1997          Member of German Merit Foundation (Studienstiftung des Deutschen Volkes)

## LANGUAGE SKILLS

German: mother tongue

French: fluently spoken and written

English: very good notions, spoken and written

Spanish: good notions

## COMPUTER SKILLS

LaTeX, Office, Maple, Stata, SAS, ArcGis, GAMS, NetLogo

## PUBLICATIONS

### Journal articles (scientific, refereed)

Soubeyran, R., Tidball, M., Tomini, A., Erdlenbruch, K. (2015) "Rainwater Harvesting and Groundwater Conservation: When Endogenous Heterogeneity Matters", *Environmental and Resource Economics*, Vol.62 (1): 19 - 34.

Erdlenbruch, K., Tidball, M., Zaccour, G. (2014) "Quantity-Quality Management of a Groundwater Resource by a Water Agency", *Environmental Science & Policy*, Vol. 44: 201-214.

Cabo, F., Erdlenbruch, K., Tidball, M. (2014) "Dynamic management of water transfer between two interconnected river basins", *Resource and Energy Economics*, Vol.37: 17-38.

Figuières, C. ; Erdlenbruch, K. ; Aulong, S. (2008) "Les critères d'évaluation de la biodiversité : propriétés et difficultés d'usage" Journée SAE2 : Eau et biodiversité : enjeux et méthodes pour les sciences sociales ; 2008/09/18 ; Paris (FRA). *INRA Sciences Sociales Recherches en Economie et Sociologie Rurales*. 2008, (4-5 numéro spécial : Eau et biodiversité : enjeux et méthodes pour les sciences sociales) : 1-4.

Erdlenbruch, K., Gilbert, E., Grelot, F., Lescoulier, C. (2008) "Une analyse coût-bénéfice spatialisée de la protection contre les inondations - application de la méthode des dommages évités à la basse vallée de l'Orb", *Ingénieries E.A.T.*, no. 53, 3-20.

### **Papers under revision**

Alvarez, Maria E., Di Marco S. , Erdlenbruch, K., Tidball, M (2014) "A mixed control problem. Management of natural resources", *Natural Resource Management*.

De Frutos Cachorro, J., Erdlenbruch, K., Tidball, M., (2014) "A dynamic model of irrigation and land-use choice: an application to the Beauce aquifer in France", *European Review of Agricultural Economics*.

### **Book reviews**

"Valuing climate change mitigation. Applying stated preferences in the presence of uncertainty" Sonia Akter, Jeff Bennett, Edward Elgar, 2012, 192 p. Rapport pour *Natures Sciences Sociétés*, Vol. 22, (2014), p. 394-396.

### **Book chapters**

"The implications of budget systems for the environmental characteristics of public procurement" (2003), Johnstone, N. (OECD), Erdlenbruch, K., Müller, K., in: *The Environmental Performance of Public Procurement - Issues of Policy Coherence*, OECD.

### **Dissertations**

"Resource Economics, Water Management and Water Related Risks", (in French) HDR (authorization to supervise PhD students) at the University of Montpellier I, with distinction (mention très honorable avec félicitations du jury à l'unanimité), July 2013.

"Essays on Renewable Resource Economics", (in French) Ph.D. at the University of Montpellier I, UMR Lameta- INRA, with distinction (mention très honorable avec félicitations du jury à l'unanimité), March 2005 (Supervisor: R. Lifran, M. Tidball).

"Influencing forest exploitation via trade: The role of tropical timber trade in forest management", M.Sc. Thesis, University College London, with distinction, September 2001 (Supervisor: T. Swanson).

"Contingent valuation in developing countries", 26/30 points, June 2000 (Supervisor: Michel Garrabé).

### **Reports**

Final report of ENOV-IRSTEA survey: "Perceptions and attitudes towards flood risks: a survey in the départements Aude and Var" (2015), C. Richert, K. Erdlenbruch, C. Figuières, 71 p. + annexes.

Final report of RISECO project ANR JCJC "Contributions de l'économie des ressources à la gestion de la rareté de l'eau et des risques de sécheresse » (2013), K. Erdlenbruch, 19 p.

Methods for multi-criteria analysis applied to flood-prevention « Analyse multicritères : application aux mesures de prévention des inondations. Guide méthodologique » (2012) Auffret, C., Agenais, A.L., Bauduceau, N., Bourguignon, D., Brémond, P., Sylvie, C., Crespin, N., Dubert, G., Erdlenbruch, K., Grelot, F., Laganier, E., Magnier, C., Metral, M., Mignon, V., Moncoulon, D., Moulin, C., Nussbaum, R., Peinturier, C., Pene, J.P., Philippe, P., Tarit, R., Torterotot, J. P. ed : MEDDE -Ministry of Sustainable Development, France.

Study on economic valuation and perception of flood risks in the Vilaine and Orb basins "*Perception du risque et évaluation économique de l'exposition aux inondations - Étude de deux territoires aux contextes hydrologiques différents*" (2009), F. Grelot (Cemagref, UMR G-EAU), J. Arnal, P. Bremond, K. Erdlenbruch, C. Durand, S. Durand, G. Gleyses, P. Jarnet, M. Liberti, S. Martini, A. Richard-Ferroudji, L. Albrecht, J.-S. Bailly, N. Saint-Geours, N. Dupont, V. van Tilbeurgh, E. Quesseveur, G. Anguil, E. Gilbert, C. Lescoulier, P.-A. Rielland, ed : MEDAD – Ministry of Ecology France.

Study on collective management of water withdrawals « *Gestion collective des prélèvements individuels - Etat d'avancement de l'article 21 de la LEMA et réflexions à partir de deux exemples sur ses perspectives de mise en place* » (2008), K. Erdlenbruch (Cemagref, UMR G-EAU), M. Montginoul (Cemagref, UMR G-EAU), A. Mullens (Cemagref, UMR G-EAU), ed: Ministry of Agriculture, France.

Study on the management of over-flooded agricultural areas in the Touloubre catchment « *Étude préalable à l'analyse économique de la gestion des zones agricoles surinondées du bassin versant de la Touloubre* » (2008), Blanc, C., Brémond, P., Erdlenbruch K., Grelot, F., Mériaux, P., Tourment R., Rapport technique, 88p.

Study on flood risk perception in the Vilaine basin « *Approche pluridisciplinaire des perceptions des inondations sur le bassin de la Vilaine* » (2008) N. Dupont (COSTEL, UMR 6554), E. Agasse, J. Barnay, L. Colbeaud-Justin, K. Erdlenbruch (Cemagref, UMR G-EAU), R. Favier (LARHRA UMR 5190), I. Ganzetti (COSTEL, UMR 6554), A-M. Granet-Abisset (LARHRA UMR 5190), F. Grelot (Cemagref, UMR G-EAU), B. Guillaume (CREIDD, UTT), E. Quesseveur (RESO, UMR 6590), J-F. Tanguy (CRHISCO, FRE 2786), J. Valy (COSTEL, UMR 6554), V. Vantilbeurgh (COSTEL, UMR 6554), ed: IAV - Institution d'Aménagement de la Vilaine.

Study on compensation payments for natural management of flood-prone areas: « *Expertise des pratiques de compensation en cas de transfert d'exposition aux inondations* » (2007) P. Brémond (Cemagref, UMR G-EAU), C. Breton (Cemagref, UMR G-EAU), G. Enjolras (UMR Lameta) K. Erdlenbruch (Cemagref, UMR G-EAU), F. Grelot (Cemagref, UMR G-EAU), R. Kast (UMR Lameta), S. Thoyer (UMR Lameta), ed: MEDAD - Ministry of Ecology France.

Study on flood damages in the South of France: "*Etude socio-économique des inondations sur le bassin versant de l'Orb*" (2006), Erdlenbruch, K. (Cemagref), Gilbert, E.(Bceom), Grelot, F. (Cemagref), Lescoulier, C.(Bceom), ed: CG34.

Study on the economic organisation of the forest sector in the DRC "*Analyse des conditions de reprise économique du secteur forestier en RDC*" (2003), Erdlenbruch, K (Cemagref), Roda, J.-M. (Cirad), in: Economic Review of the Forest Sector in the RDC, World Bank.

## **Expertise**

*Expertise for the Ministry of the Environment on Cost-Benefit-Analysis in French Flood Prevention Action Programmes (PAPI):*

Erdlenbruch K., Grelot F., Rollin, D., 2014, "Avis d'expertise sur les analyses coût-bénéfice du programme d'actions pour la prévention des inondations du PAPI Lay Aval", Rapport d'expertise IRSTEA, 4 juillet, Montpellier, France.

Grelot F., Erdlenbruch K., Garin, P., 2014, "Avis d'expertise sur les analyses coût-bénéfice du

programme d'actions pour la prévention des inondations du PAPI Nîmes-Cadereaux", Rapport d'expertise IRSTEA, 7 juillet, Montpellier, France.

Grelot F., Erdlenbruch K., Rollin D., 2013, "Avis d'expertise sur les analyses coût-bénéfice du programme d'actions pour la prévention des inondations du PAPI Yzeron", Rapport d'expertise IRSTEA, 16 décembre, Montpellier, France.

Grelot F., Erdlenbruch K., Beaume, J.P. Rollin D., 2013, "Complément à l'avis d'expertise sur les analyses coût-bénéfice du programme d'actions pour la prévention des inondations du PAPI de la Bassée", Rapport d'expertise IRSTEA, 6 décembre, Montpellier, France.

Grelot F., Erdlenbruch K., Rollin D., 2013, "Avis d'expertise sur les analyses coût-bénéfice du programme d'actions pour la prévention des inondations du PAPI de la Bassée", Rapport d'expertise IRSTEA, 31 octobre, Montpellier, France.

Grelot F., Erdlenbruch K., Rollin D., 2013, "Avis d'expertise sur les analyses coût-bénéfice du programme d'actions pour la prévention des inondations du PAPI Haute Zorn", Rapport d'expertise IRSTEA, Montpellier, France.

Erdlenbruch K., Brémond, P., Garin, P., 2012, "Avis d'expertise sur l'analyse coût-bénéfice du projet de protection de Canet en Roussillon contre les crues de la Têt, PAPI du bassin versant de la Têt", Rapport d'expertise IRSTEA, 6 décembre, Montpellier, France.

Erdlenbruch K., Grelot F., Torterotot J.P., 2012, "Avis d'expertise sur l'analyse coût-bénéfice du projet de prolongement de la digue d'Anduze du PAPI du bassin versant des Gardons", Rapport d'expertise IRSTEA, 6 décembre, Montpellier, France.

Grelot F., Erdlenbruch K., Vindimian E., 2012, "Avis d'expertise sur analyses coût-bénéfice du programme d'actions pour la prévention des inondations du PAPI du Réart", Rapport d'expertise, IRSTEA, 6 décembre, Montpellier, France.

### **Working papers and mimeos**

Richert, C., Erdlenbruch, K., Figuières, C. (2015) " A model of the effects of social interactions and risk experience on adaptation behaviours", mimeo, 15 p.

Richert, C., Erdlenbruch, K., Figuières, C. (2015) , « Synthèse des entretiens avec les particuliers dans l'Aude et le Var, réalisés dans le cadre du projet Rétina », miméo, 20 p. + annexe.

De Frutos Cachorro, J., Erdlenbruch, K., Tidball, M., (2014) "Sharing a Groundwater Resource in a Context of Regime Shifts", *mimeo*.

Cabo, F., Erdlenbruch, K., Tidball, M. (2013) "Dynamic management of water transfer between two interconnected river basins" LAMETA Working Paper 2013-09.

Erdlenbruch, K., Soubeyran, R., Tidball, M., Tomini, A. (2012) "(Anti-)coordination Problems with Scarce Water Resources", LAMETA Working Paper 2012-28 .
